

Judith Le Fay
COLORING ART

INTRODUCTION

The idea for this coloring book was born from a precious event. In 2017 I was editing illustrations for my website. Numerous black and white rough drawings were scattered on the living room table.

My five-year-old granddaughter came to visit. She was everywhere around my home. At one point the house was *very quiet*. I found her on the floor... coloring the drawings.

“Wow, a coloring book... great idea!”

This book contains original rough sketches of the illustrations from JUDITHLEFAY.com. Diverse themes with bold natural and fantasy impressions.

“Never outgrow your Art for color”

Judith Le Fay

CONTENTS

THE STORYTELLER

FOREST RABBIT

MONNA IN FLIGHT

MONNA'S PATH

WILDERNESS

OWL BUTTERFLY

MY HOME
